

CASA Private Pilot Licence PPL Costings

You must be at least 17 years old to get your PPL. You also need to do the following for the category rating you want to get with your PPL:

- Learn the theory
- Complete flight training at a CASR Part 141 or 142 training organisation
- Pass a PPL theory exam
- Meet the minimum aeronautical experience requirements
- Pass a PPL flight test for the licence and category rating.

These requirements have to be met for each additional category rating you apply for once you have your PPL. You need to have an appropriate medical certificate (Class 2) to take the PPL flight test.
